Agreed Award Bachelor of Science with Honours - Computer Science and Software Engineering

A Explanation of unit results

- Pass** You have met all the requirements of the unit (s) and been awarded a pass grade
- Fail** You have not met all the requirements of the unit (s) and been awarded a fail grade
- Credit** If you have been awarded a Pass based on an assessment of prior learning your transcript will contain one of the following:
For specific credits - a grade is normally awarded for example: BSS001-1 - 68%/B+ 30 credits
For general credits - for example: a Certificate of Higher Education, only the amount and level of credit will appear 120 credits at level 4, no grades will be noted.

B Outline of the University's Credit System

Undergraduate courses - 120 credits per full-time academic year

Postgraduate courses - 180-260 credits per full-time academic year

C Minimum number of credits required each award

Please note that 120 credits must be attempted at each stage of an undergraduate award. There may be further requirements where a course has a Professional Statutory Body (PSRB) requirement).

120 credits at Level 4 or above are required for the award of Certificate of Higher Education.

240 credits (at least 120 at Level 5 or above) are required for the award of Foundation Degree or Diploma of Higher Education.

300 credits (at least 60 at Level 6) are required for an undergraduate degree without honours.

360 credits (with at least 120 credits at Level 6) are required for the award of an undergraduate degree with honours.

60 credits at Level 7 required for Postgraduate Certificate.

120 credits at Level 7 required for Postgraduate Diploma.

180 credits required at Level 7 for Master's degree or 260 over 2 years (must include a dissertation stage of 60 credits).

Students are normally only awarded an intermediate award if they complete their studies at that stage.

D Outline of the University's grading system

Assessments are marked in percentages which relate to a letter grade. A letter grade is awarded denoting the level of achievement in passed units. 40%/D- is the minimum grade required for a pass.

G Calculation for Undergraduate honours awards

The calculation of awards is determined by the University's academic regulations as approved by Academic Board.

H GPA equivalence

Although the University does not calculate grade point average (GPA) for its students, we do recognise that for some of you it will be necessary to supply this when seeking employment or further education. We therefore have supplied a nationally recognised GPA scale for UK Higher Education from the Higher Education Academy (HEA) so you can calculate your GPA equivalence.

Percentage mark scheme	Grade point average	16 point mark scheme
>75	4.25	15.0 - 16.0
71-74	4.0	14.0 - 14.9
67-70	3.75	13.0 - 13.9
64-66	3.50	12.0 - 12.9
61-63	3.25	11.0 - 11.9
57-60	3.0	10.0 - 10.9
54-56	2.75	9.0 - 9.9
50-53	2.50	8.0 - 8.9
